Report

Trial for the Selection of College Football Team

Date: 31st October, 2026
Time: 2:30 P.M. onwards
Venue: College Football Ground.

Introduction

The Sports Club, in collaboration with the Sports Committee organised a football trial on 31st October, 2026 at the college football ground. The primary purpose of the trial was to identify and select talented and skilled players to represent the college football team in upcoming inter-college and other sporting competitions. A total of 20 players participated in the trial with great enthusiasm. The participants were given an opportunity to demonstrate their football skills, physical fitness, coordination, teamwork and overall understanding of the game.

Objectives

The major objectives of the football trial were:

1. To identify and select talented football players to represent the college.
2. To assess the technical skills and playing abilities of the participants.
3. To evaluate players' physical fitness, stamina, agility and coordination.
4. To encourage students to actively participate in sports and extracurricular activities.

5. To promote teamwork, discipline, leadership and sportsmanship among students.
6. To prepare a competitive college football team for upcoming tournaments and inter-college competitions.

Activities Conducted

The football trial commenced at 2:30 PM with the participation of 20 students. The players were assessed on various aspects of the game, including basic football techniques, ball control, passing, dribbling, shooting, defensive skills and teamwork.

The trial provided an opportunity for the organisers and selection team to observe the individual performance and overall potential of each participant. The players displayed enthusiasm, dedication and a keen interest in representing the institution.

Outcomes

The football trial resulted in the following outcomes:

1. A total of 20 players participated in the selection trial.
2. The playing abilities, technical skills and physical fitness of the participants were assessed.
3. Potential players were identified for the formation of the college football team.
4. The activity encouraged greater student participation in sports and physical activities.
5. It provided a platform for students to showcase their sporting talent and develop confidence.
6. The initiative strengthened the role of the Sports Club and Sports Committee in promoting a healthy sporting culture within the college.

Conclusion

The football trial was successfully organised by the Sports Club in collaboration with the Sports Committee of St. Xavier's College, Simdega. The participation of 20 players reflected the enthusiasm and interest of students in football and college-level sports activities. The initiative served as an important step towards identifying talented players and preparing a strong college football team for upcoming competitions. Such activities will continue to encourage sporting excellence, teamwork, discipline and the overall development of students.
