

SXCS/BP-2

Certifications Add on Courses

1. Title of the Best Practice

Certifications Add on Courses

2. The Context

SXCS offers and prepares students for various Professional Programs as a part of its diverse and progressive curriculum. These Certificates add on courses cater to both International and Indian requirements enabling and empowering students to become industry ready. SXCS continuously has been trying to reinvent its programs to make value additions to its existing offerings.

3. Objectives of the Practice

Objectives of this practice are:

- To offer programs that are nationally and internationally relevant and in demand.
- To bridge the gap between industry requirements and curricula of the institution.
- To reinvent and offer programs that enhances the employability of students.
- To ensure constant value addition to the existing programs to bring them on par with international standards.
- To make students more competent and industry ready.
- To provide excellent coaching and mentoring for students preparing for professional certifications.

4. The Practice

SXC currently offering the following certificate courses:

- English Spoken Class
- Hind Spoken Class
- MS word
- Tally ERP.9
- Video editing

5. Advantages

- The offered Professional Programs are internationally recognised making them relevant and accepted globally.
- Job Oriented Programs enables students to land job offers immediately after completion of the program.
- Adds value to the graduate program and prepares them better for post graduate studies.

6. Challenges

Limitations to the practice of this best practice present themselves in the form of limited intake of students. As the program requires intensive training, a minimum level of aptitude is anticipated on the part of the student. No other challenges faced in progression and development the professional certification integrated programs.

7. Evidences of Success

SXCS' student performance, as a result of intensive training, has been exemplary.
