

SXCS/BP-21

Promotion of Entrepreneurial Spirit

1. Title of the Best Practice

Promotion of Entrepreneurial Spirit

2. The Context

The spirit of entrepreneurship at SXCS is a way of making the students feel empowered, motivated, and capable of taking things into their own hands. An entrepreneurial spirit is nurtured within the institution to encourage students to not only see problems, solutions and opportunities, but to come up with ideas to do something about them.

3. Objectives of the Practice

Objectives of this practice are:

- To identify initiatives that best promote an entrepreneurial mindset amongst the students
- To create events and campaigns that promote entrepreneurship
- To encourage entrepreneurial solutions to societal needs

4. The Practice

- Creating events workshop and promotion program to have a sense of entrepreneurship.
- Introducing a culture that encourages creativity, innovation and risk acceptance.

5. Advantages

- Students become critical thinkers who are capable of identifying business opportunities by using cutting-edge analytical tools and problem-solving skills.
- They can also communicate clearly and effectively using both written and oral forms of communication
- Business plans are developed, evaluated and implemented

- Students apply interpersonal skills to effectively market a product or service, and develop skills needed to effectively lead an organization.

6. Challenges

- Raising funds to carry out the proposals for a new venture
- Expert staff with entrepreneurship experience to guide the students in an efficient Manner.

7. Evidences of Success

- Several guest lectures and workshops conducted by entrepreneurs
- Introduction of professional courses and credit courses related to entrepreneurship

8. Resources Required

- Expert teaching staff with entrepreneurship experience
- Collaborations with start-ups in the industry
