Policy for Divyangjan

St. Xavier's College, Simdega has enlisted the ensuing welfare and wellness policies and measures for the divyangjan students.

The college prioritizes accessible and inclusive education with facilities for Divyangjan students seeking admission. The college puts in incessant efforts to make the college barrier free.

In affairs related to the acquisition of knowledge and further advancement of it, the library staff is instructed to give proper guidance to Divyangjan regarding the positionality of books that are arranged in racks with specific intents for easy access to varied bits of info.

All the Divyangjan students avail separate provision for examination assistance seeking the help of a scribe, selected from among the outstanding students of the abled category.

Special care is also given to the students with special needs, set in the context of a washroom setting and it is ensured that the comfort stations are properly cleaned and well-maintained on a regular basis. The abled category of students is made conscious of the plight of the disabled and are also directed to escort the needy to the wash area as and when the situation demands.
