He got enrolled at the college of St. Barbara, where he met Ignatius of Loyola who led him to see the world through God's Eye. He arrived in Goa, India, on May 6, 1542. Francis Xavier travelled for Christ and died on December 3, 1552, at the age of mere 46. St. Francis Xavier, outstandingly a brilliant student, is the patron saint of St. Xavier's College, Simdega.

Our Charism

We learn to discover the knowledge by which we would know everything where God is Creator and Lord, Supreme Goodness and Beauty, the One Reality that is absolute. We try to understand how everything comes from God and has its value only in so far as it leads us to God. This God is alive and active in all natural and human events in history.

Jesuit education acknowledges God as the author of all reality, truth and knowledge. It is concerned with individual person so it focuses on the total formation of the individual. It encourages knowledge, love and acceptance of self. It provides spiritual guidance and promotes the celebration of faith in a community through prayer and worship. Our education forms men and women for others. It shows concern for the deprived ones and so shows special concern for the poor because it believes – “Love is shown in deeds not words.” It insists on the mastery of basic humanistic and scientific disciplines through careful and sustained study based on competence, motivation and developing ability to reason, reflects logically and critically.

The pursuit of academic excellence is appropriate only within the larger context of human excellence. It is concerned for total human development as a creature of God which emphasizes happiness in life, responsible use of freedom, honesty, forgiveness, conversion of heart through love of God. It is also concerned with the total formation of each student as an individual personally loved by God. Jesuit education is to assist in full development of talents of each individual student.
